

Ravi Kiran Vernekar

Chief Executive Officer, CEO

Quick Facts

- One of the earliest employees at GlobalEdge
- Delivering fine solutions to the customers
- Master's Degree in Business Administration

Ravi Kiran Vernekar, took over as the CEO from January 2020. Prior to this role, he was the former President of Global Sales and Marketing/US Operations. Constantly brewing ideas on how to enable organizations to be successful, he has made it his business to understand and empower customers across the globe. Amongst the sharpest minds in the industry today, Ravi's knack for customer delight has helped leading organizations - across domains - realize their dreams of building successful businesses. Standing tall and strong, Ravi is one of the few to have recognized the need for fast and flexible engineering solutions for global technology companies at an early stage. He leads a group of young and experienced minds to deliver the right solutions to customers.

Armed with a deep operating experience and understanding of complex business environments, Ravi has made it his mission to take a technology-driven approach to offer businesses a unique set of product engineering solutions that address their lifelines - cash flow.
